What [User](#) likes about Cava: that is cava, right! half healthy and if you choose correctly, you can make yourself a delicious dish. suppenoption at this place always the same (fresh) and personal are. [read more](#). The diner and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, and there is no-charge WLAN. What [User](#) doesn't like about Cava:

I don't know if this is happens only in this location but this CAVA is the least generous when it comes to its mains. When they charge you extra for braised lamb they give you maybe 3 strands and that's it. Extremely stingy will charge you so much for it. A bowl that consists of barely any meats and will charge you extra for it should not be 15 dollars [read more](#). Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), Easy digestible **Mediterranean meals** are also on the menu. In this restaurant there is also an large variety of **coffee and tea specialties** not to forget.
