Food was delicious and the service was kind of slow but there was loud beeping noises in the background that really disturbed me so that's why I'm giving them a 4 [read more](#). The restaurant offers complimentary WiFi for its visitors, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. If the weather are right, you can also eat and drink outside. What [Mary Marriott](#) doesn't like about Playa Bowls:

I'm sad to say this because I love Playa Bowls so much but the workers at this location are missing the mark. There were plenty of workers behind the desk yet all of them seemed to be doing something else than working. I was in a rush and it took them a while to start my order just because they were talking. I'm sure they had a long day or something but when I'm paying \$13+ dollars for a bowl of fruit, I just expect... [read more](#). For guests of the establishment, the catering service is also available, The dishes are usually prepared **in a short time and fresh** for you. In addition, they provide you tasty seafood meals, and you can indulge in fine American meals like *Burger or Barbecue*.
