The cost of the food is a little pricey but the food is outstanding. The food is very fresh and healthy. If you are looking to get some good tasting healthy food this is the place to be. One of my favorite items on the menu are the smoothies. The smoothies taste good and there is a big selection of smoothies. This is a picture of the smoothie I got. I love this place and would go back any time I get the chance. read more. What User doesn't like about Beyond Juicery Eatery:

Ordered a smoothie and when it was called at the counter they said a different smoothie other than what I ordered. I was the only one in the store so I asked if they meant the one I ordered and they said yes. When I turned around they went ?oops? and it is definitely not the smoothie I ordered. Not a big deal to me, but if I had allergies it is a huge deal. Please be more careful! read more.
