What [User](#) likes about Harbour House: I have been in the facility twice, every time I have ordered something massive, just to say it and experience it for me. I have to say the quality of the food is quite good for the absolute size of this prime rib, it is hard to get it properly boiled, but they managed to do exactly that. But I will not coat anything, there are some aspects that need improvements, but this is everywhere where there is nothing perfect... [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather, And into the accessible spaces also come customers with wheelchairs or physical limitations. WiFi is available without additional charges. What [User](#) doesn't like about Harbour House: what happened to this place? my family loved to go here and it went completely downhill, very fast. my family went to the woodshed to eat because they had amazing reviews, and we couldn't get into them was so crowded. so we decided to go to our fave, harbor house, and hardly anyone was there. Now I can see why, decline the food quality 100%. we will not be back to harbor house. the owner should stop sitting on a tabl... [read more](#).
