On this site, you will find the **complete menu** of **Jefferson's** from Joplin. Currently, there are **14** dishes and drinks available. Jefferson's offers a mixed dining experience. While some patrons rave about the fried mushrooms, onion rings, and the enjoyable ambiance, others express disappointment with the service and food quality. The boneless wings receive praise, especially with Asian sauce or lemon pepper dry rub, but burgers often miss the mark, featuring overcooked frozen patties. Service inconsistencies and high prices further detract from the experience, although the restaurant is regarded as family-friendly with ample kid's options. Patrons appreciate the vibrant atmosphere for watching sports, but issues like inattentive staff and food errors suggest that there is room for improvement.
