this load has it right. they can say how long the drive-thru line is and the number of people willing to sit there and wait for their turn. it's worth it every time. [read more](#). What [User](#) doesn't like about Wendy's: ordered a southwest avocado salad, forget the avocado and speck after waiting in-line for a longer time, while 3 employees stood outside the restaurant with a smoke break. nothing wrong with it, but maybe want to make a pause until the ride through the line is done. then they work on the accuracy!
