eating here is excellent! everything is fresh and as it came from your mother's kitchen. the prices are a little high, but for the quality, I guess it's fair. the only real critique I have on this site is that I wish the tacos were a little bigger. I'd say they have to order at least three to make it a substantial meal. [read more](#). The restaurant offers free WLAN for its customers. What [User](#) doesn't like about La Regia:

We have had this joint several times. Breakfast tacos are good but the last three times we've come here the tacos are never what we order. The order has been wrong every single time these last few times. Which is frustrating bc we pay more for the tacos we order. It just happened again and I can't say we will back again. It's unfortunate. We live too far to make it a drive back just to attempt to get it exchanged. [read more](#).
