A comprehensive [menu](#) of Chicken Express from Whitney covering all 15 courses and drinks can be found here on the card. At a popular southern-style eatery, diners have experienced a mixed bag of reviews. While some praise the fantastic chicken and generous portions, others lament issues with service and food quality, citing raw dishes and rude staff. Patrons have encountered disorganized take-out experiences, with subpar beverages and poorly packaged sides leading to soggy meals. Despite the high prices, some customers highlight the freshness of the food and the efficiency of management, applauding those who provide attentive service. Overall, while the restaurant has potential, it struggles with consistency in both service and food preparation, leaving many diners frustrated.
