Wonderful service and food. I got a gyro and my boyfriend ordered two pitas (beef and a beef and potato). Everything was excellent. The pitas were large so we took one to go and ate it later. Small menu, but that's okay because what they do offer they do it well. Wasn't sure what to expect when we randomly stopped in, but so glad we did. Can't wait to tell my friends about this place! 3b cigan is a bad place to eat. there was car oil in my food instead of vegetable and one of the waiters started begging for money when taking my order. fries were okay though. concerned about the boxes in the back filled with catalytic converters also. 3b Grill from Des Moines delivers *tasty, light Mediterranean cuisine* with its typical menus, Here, the **meat** is freshly cooked on an open flame. The place also provides Greek dishes like Gyros and Souvlaki with the matching sides.
