I loved this place so much. First we thought the prices were a bit high, but the amount and quality make it worth it! I have the Avocado-Blt and added "Hähnchen" to it, it was soooo good! we also got chili, 2 smoothies and a gyro, everything was great! will definitely come back. [read more](#). What [User](#) doesn't like about Greens And Grains:

I come to this location pretty often since the acai bowl is pretty good. However, the falafel wrap that I ordered today was below average. I realize the food isn't cooked fresh here as it is at the Galloway site, but the wrap I tried today was pretty disappointing. There was no sauce, the falafel was very stale and the lettuce and tomato was two thumbs down. I may give this place another try. [read more](#). When the weather conditions is nice you can also eat and drink outside. At Greens And Grains in Northfield, there are **delicious sandwiches, healthy salads and further snacks** for quick hunger, as well as hot and cold drinks, The visitors of the restaurant also consider the large variety of various coffee and tea specialities that the restaurant offers.
