the baja chicken dish ordered. great eating, many possibilities to build their own bowl. wish the portions were a bit heavier of the rice and sweet, but it was filled out and had really good taste. [read more](#). What [User](#) doesn't like about Salsa Fresca Mexican Grill:

i got the taco salad with no rice or beans and my man got a bowl and it was dry, tasted like goat/cowish and something slimy was in there either it was a noodle or cheese. All of this literally cost 24 dollars and it tasted like garbage. The taco shell was good tho but that's about it. 3/10. [read more](#). Anticipate the varied, fine Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers).
