The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Salazar's Grill: was disappointed. the restaurant was nice, the price was average, but the service was bad and the eating was not good. we asked about things several times and it was brought late or not at all. I had the chile relleno and enchilada kombiplatte. the chile relleno was in order, the enchilada was not so big, and the enchilada were not to our joy. my man had the carne asada quesadilla, it was okay. we will not return.
