Pizza and the Stromboli were great! The Bosco Sticks were very cool, not cold, and drenched in Garlic Butter. Order was called in and ready in a very good time after I got there. [read more](#). When the weather is pleasant you can also be served outside. What [User](#) doesn't like about Deangelo's Pizzeria:

Pizza is more greasy than Pizza Hut which is nearly impossible to do unless you're actually trying to make it that greasy. I went here and got the same 10 inch pizza the last 4 times this past month and everytime it's so greasy all the cheese and sauce falls off when I pick it up, even after I let it sit and cool. I've been looking at reviews and it seems I'm the only one that's getting greasy pizza?? Hmmmmm ? [read more](#). At Deangelo's Pizzeria in Denver, delicious pizza is baked **oven-fresh** using a traditional method, and you will find classic Italian cuisine with classics like pizza and pasta.
