service was attentive, margaritas were considerable, salsa was perfect, and the chips were ugly enough to handle the weight of the ceviche without falling apart. the Veracruz-Ceviche was really hot, but if it's too much for someone in their group it's not difficult to pick up the habanero. the enchiladas were also great and they did not sneak on the flesh. doesn't like about Cabrito Nuevo Leon Fort Worth:

too expensive for what they get. they have to pay ridiculously for chip refills. Fountain drinks are \$2.89 and after a refill they get recharged. Eating was okay, not bad, but not worth the price. we paid over \$220. if they have a big party, they automatically take the tipp. had to make after filling them not flour tortillas in the house. in any case will not come back.
