What [Melissa H](#) likes about Pho Chopstix:

Such a cute atmosphere! Service was very friendly and accommodating. I highly recommend their spring rolls because they were rolled tightly with lots of fillings (the sauce is also amazing). Spicy beef noodle (bun bo hue) and pho were just ok in my opinion but portions are quite generous for the price. This place is close to my work so I'll be coming here more often! [read more](#). What [Matt h](#) doesn't like about Pho Chopstix:

Its good food, I like the spicy fish sauce more than other places. Decent enough service, but I cant get past the prices. Their Pho prices are 50% more than Saigon and not quite as good. Close but not worth 50% more money. I only went here because I didnt want to fight rush hour traffic, from now on I will fight the traffic to save \$20 off the bill. [read more](#). For visitors of the restaurant, the *catering service* is also available, on the menu there are also a lot of Asian meals. In addition, you can order fresh roasted barbecue. In addition, many guests look forward to enjoying **traditional Vietnamese meals** with the perfect hint of Southeast Asian flavor during a visit at the Pho Chopstix.
