This place is great and has amazing service and ambience, but they close any chance they get. They are never open and you would think to be the only desert place in Colfax, they would want the business. But leave it to Colfax again [read more](#). Perfectly pairing with the dishes of the restaurant are the fresh and delicious juices on the drinks menu, Don't miss the chance to try the delicious pizza, prepared straight out from the oven in an original way. Not to be left out is the large selection of *coffee and tea specialties* in this restaurant.
