it was really awesome with so many vegan options to create my own bowl! literally it is Mediterranean chipotle. the only thing that was annoying was the fact that we ordered some of the pita in our order we lacked online for picking up so that not recognized until we returned. I am sure that the bowl would have been so much more with pita, but it was still good without it [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Roti Modern Mediterranean:

roti is a place I always ate with employees, but never really liked. To be honest, I don't like eating her very much, but it's tolerable. the Flafel sandwich is the lacking, it is not even crispy on the outside and it actually had a strange texture (mostly related to the falafel inside). the ingredients offered for the sandwich were uninteresting.

overall my falafel sandwich was sadly boring. there are many better fa... [read more](#). At Roti Modern Mediterranean from Chicago it's possible to try delicious vegetarian dishes, that were made without any animal meat or fish, also, the *Greek dishes* are highly appreciated by the customers of the restaurant. Lastly, the restaurant provides a selection of flavorful menus, which are surely worth trying, Don't miss the chance to eat the tasty pizza, prepared straight out from the oven in an traditional way.
