What [User](#) doesn't like about Jay's New Open Kitchen:

\$10 for bagel and sandwich. they charge an additional dollar for a bagel after 10am and the free coffee they advertise is only up to 10am. I wouldn't complain, but they didn't get the bread, and the part is too small. bodega quality with super expensive trips - simply not worth it. In case you're hungry some *fiery South American cuisine*, you're in the right place: delightful meals, prepared with fish, seafood, and meat, but also **corn, beans, and potatoes** are on the menu, and you have the opportunity to try tasty American meals like Burger or Barbecue. There are also easily digestible Mediterranean meals available, there are also **delicious vegetarian menus** on the menu.
