Always excellent to order and delicious. Excellent portion size. I get the same and the very nice lady who is always happy because (I think she is either the owner/co owner/manager) knows what it is in the heart now, also knows what my wife likes. General Tso's Chicken, combination Fried Rice and Spring Rolls with Shrimp, all are great and you can go wrong. I even convinced friends to go there and they like them too. read more. What User doesn't like about Wei's Garden:

Every time we come here we have to wait for our food when we ready placed an online order AHEAD of time. We placed the order on the phone at 9:16, waited, and got here around 9:40, it's now 10:00 and we still don't have our food. What's the point of ordering ahead if we still have to wait an extra 15-20 minutes? read more.
