On vacation from Michigan and we originally wanted to go to another restaurant, but it was too crowded. I walked in here because I saw it on my way and thanked God. Crabs and shrimps for a starter is a must. Shrimp tacos for me and my son got Steak-Fajitas, amazing food and service, too bad we go tomorrow or we would do it again.

[read more](#). What [User](#) doesn't like about Cancun Fiesta:

Beautiful restaurant but food was not that great!! I would have been happier eating at taco bell.. The waitress was attentive bc we were the only customers.. They charged us 6\$ extra (they do on everyone's bill) bc of surcharges they are experiencing why don't they just raise their prices [read more](#). Get excited about the **diverse, delicious [Mexican](#) cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), *delectable [vegetarian](#) menus* are also in the menu available.
