What [User](#) likes about Family Affair:

I found the restaurant completely random. we were in town for a football game and drove back to school after we found nothing to eat in the city. we saw family business, and some people got food there. I have a double cheeseburger, and my wife had the black chop sandwich. the double cheeseburger is one of the largest I have eaten. I don't know how big their pattys are, but I feel like I've got a bit of meat on it! my... [read more](#). In case you're hungry some fiery South American cuisine, you're in the right place: delightful menus, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges offered. Even if you're only a bit hungry, you can still treat yourself to one of the scrumptious sandwiches, a small salad or another snack, and you can indulge in delicious American menus like *Burger or Barbecue*.
