What [User](#) likes about Lil's Deli: we travel to our hut and we stop at lils deli on the way out and back. everything is great, but the cookies are from this world...big customer service...big food....only a spectacular place. [read more](#). The restaurant offers free WiFi for its customers. What [Marie Henderson](#) doesn't like about Lil's Deli:

Sorry to have to write this. I ordered online and when we came into the store to pick up our orders we instantly noticed how dirty everything was. Single itemson the shelves and broken down well.....everything. Coffee machine etc As I watched the employee making sandwiches , then stopping and handling money to and from other orders with the same gloves. Going from register to the floor to grab supplies to picking che... [read more](#). In Lil's Deli in Machias, they prepare crispy pizza using a traditional method, served fresh, Furthermore, you save time with the diversity of already prepared *delicacies*, without having to compromise on pleasure. In case you want to have breakfast, a hearty brunch is offered to you, For a snack, the yummy **sandwiches**, healthy salads and other snacks are suitable.
