What [User](#) likes about Burger Xpress: beautiful place to eat. the menu is American sorts. the prices were good. the staff was very friendly. the food was very good! and they have a large selection of ice for dessert? the servier sizes were great for the side parts. we go back there! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Burger Xpress:

I was super hungry and came a busy day at work. I wanted to takeout some of the most popular local places. the worker saw me move in and turn off the lighter at 8:17. I would have closed my load 13 minutes early to get there in time. [read more](#). Burger Xpress from North Chili is valued for its **tasty burgers**, to which *appetizing fries, salads and other sides* are offered, You can also discover delicious South American meals in the menu.
