What User likes about Sonic Drive-in: Meant to rate 4, not 3.1 of 3 items was wrong, Im sure they would have corrected it if I didn't mention it because the error in flavor ordered/flavor made was still going to be a tasty treat so there was no real complaint. Next order, a few days later, got a right product, wrong (bigger) size. Mentioned it, but also told the food runner, who was very pleasant, that it was no biggie. (Because it was the size delivered... [read more](#).
