Want to spice up your eating and drinking routine? Come to this sports bar and enjoy a variety of large and small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!,

You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Typically, the **burgers of this establishment** are served as highlights along with filling side dishes like fries, leaf and cabbage salads or wedges, The barbecued food is freshly *grilled* here on an open flame.
