What [User](#) likes about Logan's Roadhouse:

great place to enjoy lunch or dinner, I took out and the process was so easy without calling. the young lady was very happy and beautiful at the theke and eating was so packed that everything was still very hot when I returned to the hotel. I didn't complain it was great, from beginning to end it was super and expensive very fair. Thank you.

What [User](#) doesn't like about Logan's Roadhouse: the server was great! eating not as much my steak look as it was made decades ago, it had no moisture, it had to be something that she pulled out of the refrigerator and into the microwave complete rubber! it felt like I was back in high school and cracked around my eating and drinks when they see an empty parking run far away!
