What [User](#) likes about Baker's Dozen Bagels: I'd say this is a 4.5 place. the bagels, hands down, are very authentic and quite large. the seasoned spreads for most part are quite good. I expected better from the Speck Scallion one, but the lukewarm spread is on point. the service is fast and efficient, and the kerl in register, diego, makes a good work to get them out shortly before their breakfast gets cold.
