The restaurant from Columbus offers **16 different dishes and drinks on [the menu](#)** at an average \$5.8. What [Chickadee](#) likes about Wycliffs' Kitchen:

Delicious! Got the fried fish in coconut sauce, so good. Enough dinner for two with sides. The pilau is super flavorful and has meat in it too. Also tried the Karanga Mbuji and that totally checked out. Plantains, greens and kabeji we're mild and cooked just right. [read more](#). You can use the WiFi of the establishment free of charge.

What [Nicole K](#) doesn't like about Wycliffs' Kitchen:

Food was not good value for price. We paid \$70 for two people but the vegetables were not fresh, the meat was poorly cooked. The ambience was also not good. Food was served on cardboard plates. Location is sketchy. Plastic silverware was used. You have been warned! [read more](#). The **catering service** is also provided by the restaurant for its customers.
