wow. I had some burritos earlier in Chicago, but Chipotle was by far the best. For something like \$10 you become so huge burrito. I'm not sure how they can offer this burrito for this price. It is worth definitely! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Chipotle [Mexican](#) Grill:

avenue, I had high expectations. The service area looked clean. The dining room and the restroom were not very clean. On the tables there were eating and bits of serviettes. Only one of two sex-neutral toilets worked. The one who should work had serviettes on the floor, no bathroom fabric and unrinsed toilets. I ordered to eat before I went to the toilet room. I'm not coming back soon until this is more present. [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers). This restaurant offers a catering service that allows visitors to enjoy the meals at home or at the event. Look forward to the enjoyment of scrumptious vegetarian menus. The atmosphere also makes the consumption of typical *Western dishes and drinks* a beautiful experience.
