What [User](#) likes about Waffle House:

2 egg breakfast can't be beaten in Waffle House. This special restaurant was on her game! Addie and Britt were amazing. Eggs were cooked for perfection. Hash Browns were just the right cripples. Toast perfectly roasted.. Also a statement about the difference between land and town ham. I never ran out of coffee, and the O.J. was cold and fresh. This place gets it! You were AWESOME. The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities. If you're craving for some fiery South American culinary arts, this is the place to be: tasty menus, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, and you can try delicious American meals like **Burger or Barbecue**. Not to be overlooked is also the comprehensive selection of **coffee and tea specialties** in this restaurant, In the morning they serve a varied breakfast here.
