What [User](#) doesn't like about Pizza Hut:

3rd time we ordered well done pizza and it's not well done. Also ordered extra pepperoni and it does not look like extra. The crust was doughy. Ordered from pizza hut web side and door dash dropped it off with 3 people in there car asking me if I keep the pizza bag. Tried to call the store and the line was buissy both times. The only thing that came out good was the wings. Even the cheese bread was doughy. Ordered flavored crust and got regular.
