Had a noticeably pleasant interaction when ordering. Carrie was working behind the counter and was an absolute sweetheart. I would come back here just from her kindness alone. Wish everyone would treat each other as pleasantly as her all the time the world would be a better place! They were fast making the food as well. [read more](#). When the weather is pleasant you can also eat and drink outside. What [User](#) doesn't like about Schlotzsky's:

We had a large 300 catering order and this store intentionally wouldn't answer us after they made it. They messed up the entire order and then just pretended like we didn't exist. I will absolutely be reporting this place to corporate in the hopes the pathetic example of leadership here is removed. [read more](#).
