since 2018 I ordered my lunch from them. the bark meat kafta lunch I inaugurated today was very good. the placement of food in the container looks good! the rice was very well made and the salate was made with evenly cut fresh vegetables. I can see that the kitchen staff take their pride in eating. they serve in customers food in disposable containers that I understand in the difficult work availability situation. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities.

Admirable is this small yet fine **Bistro**, not only for its ambiance, but also for its range of typical, delectable dishes usually at reasonable prices, The customers of the establishment are also thrilled with the comprehensive variety of differing *coffee and tea specialities* that the establishment offers.
