What [User](#) doesn't like about Fifty West Brewing Company- Cincinnati:

(only a food review) was good and service was fast for a Friday night. I have an Ohio-burger, cost me \$9. much too expensive. I was really shocked when I saw the size of the burger. it was the size of a burger they would get from a dollar menu. I could have gone to wendy's and ordered a whole meal for this price with a bigger burger that tastes just as good if not better. They cut them off as they get in the frozen food department at kroger.

dipping sauce was good and had a kick on it. it probably won't eat again if I don't have a few drinks in me. I wouldn't pay what I got. Want to spice up your eating and drinking routine?
