The burgers were excellent. Nicely cooked and seasoned, the bungalow was warm and almost perfect... coupled with the fresh ingredients and unique flavors it was simply amazing. Our new favorite burger connection. If that wasn't enough, the cheeseries are excellent! Thin slices fries, not too fat, cooked exactly right. Then the cake funnel, its beverage selection is amazing. I recommend the mint shake. [read more](#). What [User](#) doesn't like about

The Burger Experience:

thoroughly eat and the 2 sauces that I ordered on the side and paid extra for it were gone. the fries were boiled (literally cold and hard in the middle). the brot on the burger was stale. the worst is, I can't get my money back or fix it. uber eats only gave me a small loan for a future order due to the lack of sauces. don't order them from here.
