Really cool little independent coffee shop. Great lattes. I've biked 16 miles to come here twice. First time the batista was in the back so had to wait 10-15 minutes. Today I came and they just closed 2 hours early... which would be whatever except I biked 16 miles to get here... might have to switch to a more reliable coffee shop. But still good coffee if they're actually around. read more.
