Here you can find the menu of Harriet's Inn in Minneapolis. At the moment, there are **16** courses and drinks on the menu. You can inquire about *seasonal or weekly deals* via phone. What [User](#) likes about Harriet's Inn: harriets inn knows exactly what they do and they do it well. a rare neighboring restaurant with full likör, beer and wine options. they are menu is American food and made with an purpose. eating is surprisingly satisfying for pub subscription. there are televisions for sport, but there is no sporty feeling anyway. [read more](#). What [User](#) doesn't like about Harriet's Inn:

The ambience was great, the wait staff was ok. The food was awful. See pics of wings and you tell me. Ordered nachos, cheese curds, wings. They all tasted cold, bland, institutional. No, they were not busy and the bar is beer wine only (no liquor). [read more](#). If you're hungry for some **fiery South American culinary arts**, this is the place to be: delightful dishes, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, there are also fine [vegetarian](#) meals in the menu. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, For a snack, you can also have the fine sandwiches, small salads and other snacks.
