What [User](#) doesn't like about Shots On The River: 1st here. Was a decent place. Staff that i conversed with was friendly. They had a band that was setting up to start playing at 9pm. The food we had was decent. My delux sub i thought would be bigger and it came with no sauce..i asked for [pizza](#) sauce and my server brought me some..i did upgrade for onion rings and they brought 5 out.. they were a little crispy but still greesy.. for a quick new spot.. to try was not too bad.. other people with me felt same kind of experience with their food order.. i would try something else again..
