Table 87:

Really awful pickup service via Slice. They are never ready- you arrive at restaurant to wait minimum 30-45 minutes past the order ready time texted by the app. Also poorly packaged. Food and sauces spilled everywhere ruining our tote that we use to pick up food. Just overall really poorly run. They probably should not take pick up orders and definitely not through Slice. I would never use the Slice app again. [read more](#). The Table 87 in Brooklyn provides various *fine seafood dishes*, For a snack in between, the delicious sandwiches, small salads, and other snacks are suitable. Of course, we must not forget the large selection of **coffee and tea specialties** in this locale, In addition, the **sweet desserts** of the establishment shine not only on children's plates or in the eyes of the little guests.
