What [User](#) likes about Cupcakes A La Yola: the cupcakes here are moist, with butter cream, which is the perfect texture. taste the strawberry cake: the buttercream tastes as if it were made with fresher sawn and fresh strawberries. this bakery is really enchanting and offers a good selection of aromen. it's my second time here and I'll be back. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Cupcakes A La Yola:

I was quite disappointed with my cupcakes. they were beautifully decorated, but were very dry. they were either baked or old, they don't taste fresh. I was really looking forward to these cupcakes, because it was the only nearby bakery where I could find a chocolate reddish butter cupcake for the birthday of my man. [read more](#). The **catering service** is also provided by the establishment for its guests.
