Great smoothie bowls!!! My first time here, but came very recommended. I couldn't have been happy anymore! It was delicious! I wish I could eat something every day as light, tasteful and naturally sweet! Absolutely stunning! [read more](#). What [User](#) doesn't like about Northwest Pine Apple:

Great food and menu although a bit expensive. Scheduled pick-up service, however, sucks. It doesn't matter if you place an order before time and you can just grab it and go, you still have to wait in the line. For a place that is just going out, I think they should have a more efficient and friendly pick-up service. Instead of having to wait up to 30min in a drive line. [read more](#). A selection of delicious seafood courses is dished out by the Northwest Pine Apple from [Medford](#). In the morning they serve a **tasty breakfast** here. Furthermore, you'll find fine American meals, like for instance burgers and grilled meat on the menu. Besides, the creative blend of different meals with new and partially adventurous products is appreciated by the visitors - a good case of Asian Fusion.
