Awesome place to watch the Broncos game. Montucky's were great and for an awesome price. The buffalo wings were great as well, made new friends and overall had a great time watching the game. Will most definitely return! [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather, and there is complimentary WLAN. What [Karleen Johnston](#) doesn't like about Icehouse Tavern:

Great atmosphere, but our food wasn't very good. I had tater tots that were way over cooked(hard) I had a pulled pork sandwich and the bread was very hard. They didn't have any waitresses, you had to order from the bar. Too many people to serve and not enough help, just my opinion. We will be back, this place has a nice vibe! I'm sure the food will be better next time. [read more](#). Icehouse Tavern from Denver is a good option for a bar if you want to have a drink after work and sit with friends or alone, You can also discover scrumptious *South American* dishes in the menu.
