What [User](#) likes about Mod Pizza:

they had vegan crust (the gluten-free was the only option, but it did not taste gluten-free! vegan cheese, vegetable sausage! I had a pizza with amazing vegan cheese that it was bombed, pushed on the braut. the personal was so beautiful in the intake of methair milk free cheese was stored separately in the back to avoid cross-contamination that I also appreciated. [read more](#). What [User](#) doesn't like about Mod Pizza:

Place were messy. Servers had there back turned why I had to wait over a minute before they took my order. They were confused with salad pizza on cauliflower crust asking me what salad size also looking at the 2 salad promo. Fortunately, someone else came to the rescue and knew what I was ordering. The guy baking the pizza does not really pay attention to the pizza in the oven. Just waiting. He looked messy and also... [read more](#).
