What [Aaron Mayr-Mauhart](#) doesn't like about Post Office Place:

This place looks great. It's clean, hip, and pretty cool. The dishes looked fresh, clean, and delicious. I'm not sure what happened, but all three of the dishes I tried were not good. During a meal, a good drink is essential. In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, You can also discover tasty *South American* cuisine in the menu. Furthermore, you'll find tasty American meals, like for instance burgers and grilled meat on the menu, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
