Enjoyed the Egyptian cuisine but service was really slow. Tables were not cleaned out after customers. Requested for a take out pack and it took forever before my husband decided to walk up to them and pick it. If you need a first hand history of Egypt, then please don't hesitate to visit. Chef Samir Shaltout from Greensboro offers fine, well digestible Mediterranean cuisine with its characteristic dishes, In addition, the sweet desserts of the restaurant shine not only in the eyes of the little guests. If you're still not sure, let the smell of freshly baked flatbread or the scrumptious, sticky temptation of fresh baklava convince you - the Middle East is without a doubt closer than it appears, Likewise, the visitors of the restaurant prefer the large selection of differing **coffee and tea specialities** that the restaurant provides.
