This place is a great stop. It has a great view of the sculpture garden. The gelato selection is great. The coffee and teas are good too. The dessert selection is fabulous. I have never had a full meal there, but it is a splendid stop even if you are not going to the museum. [read more](#). What [User](#) doesn't like about Mfa Cafe:

This is a beautiful place and convenient for hanging out after visiting the MFAH. It was about 4 p.m. and they were already out of the tomato gnocchi soup. Mind you, they close at 6 p.m. Plus at \$4.50 for a small cappuccino, they should have brown sugar available. If you're a member of the museum, you get a 15 percent discount. [read more](#). Mfa Cafe from Houston is a *chilled café*, where you can enjoy a snack or cake with a steaming coffee or a sweet chocolate, and you can look forward to traditional Italian cuisine with classics like pizza and pasta.
