The food and service was outstanding. It is a great place to eat, visit or just hang out. [read more](#). The only good thing about this place was the casino in the back, but didn't win much off that anyways. The pizza was \$11 and it was awful. Just a bunch of cheese topped over ham. I was probably better off buying food from cenex down the block! Would probably try a burger if I came back. Three stars for friendly service! [read more](#).
