Just got Arby's for tonight's dinner and as usual, never disappoints. Food is neatly put together and fresh! The buns are definitely fresh and soft! It's nice seeing a fresh, fluffy bun compared to those flat, squished ones you get from other places! Can definitely tell the employees care about their job and their customers! [read more.](#)

What [Ivan Leite](#) doesn't like about Arby's:

They have rats, roaches, are violating labor laws, the kids are only ones working and without breaks while the management and crew are too busy out back getting high and smoking cigarettes to be bothered with doing their jobs. Not spending my money here anymore and will be calling corporate and the department of labor and workforce development as well as DHEC [read more.](#) If you're hungry some spicy South American gastronomy, you're in the right place: delightful meals, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are on the menu, and you can indulge in scrumptious American menus like **Burger or Barbecue**. Even if you're only not so much hungry, you can still treat yourself to one of the tasty sandwiches, a small salad or another snack, For you, the dishes are normally prepared in a short time and fresh.
