absolutely amazing! we drove past and saw the sign, turned around and I'm so glad we did. so delicious! I have the chicken teriyaki plate and it was enough for two meals! [read more](#). You can use the WiFi of the establishment at no extra cost. What [User](#) doesn't like about Fukumaru Teriyaki:

good food that is fast and delicious, but expect nothing that will knock off their socks and everything is loaded with salt. I'm usually not very picky about too much salt, but this place takes it to a new level. I think this place offers visitors to the surrounding hotels who want to be quick and cheap. but for my money I can think of so many other places where eating is so much better, the speed of the meal here is...
