This place has made an amazing selection of to order and deliver Chinese cuisine plates for din in. Warm and friendly staff. The parking is a bit rough and the dining area is cozy and relaxing. I've been eating here since last week and I could eat here for months. Very recommended! [read more](#). What [User](#) doesn't like about Hong Kong Kitchen:

I read the Yelp reviews, and wanted some egg drop soup and this place came up for 'really good Chinese food '. Meh, not the best honestly. The food was kinda bland. The soup, which is what I was craving, was such a tiny portion, I can 't judge it on the Costco sample size that I was provided. I 'll try to just get the soup next time and judge based on that.
